THE AGREEMENT

MASTERWORKS International will supply the trainee with certain copyrighted materials to supplement the teachings of Dr Stone. These may include videotapes, DVDs , CDs, study guides and manuals. The trainee hereby acknowledges, accepts and agrees that these materials will not be reproduced in any way or used as part of any training programme in Polarity Therapy other than those approved by Masterwork International.

Training Fee

The trainee hereby agrees to pay to Masterworks International the applicable training fee and thereby becomes eligible to be certified by Masterworks International once all the course requirements are met. The training fee becomes due in full on receipt of this application unless a deferred payment plan is chosen, in which case, the relevant deposit is payable.

If the trainee chooses a deferred payment plan, the trainee agrees to set up the relevant online recurring billing, three months after the receipt of the deposit payment. Any arrears will result in the termination of the training.

Refund Policy

You understand that the rate of payment of your fees is independent of the rate at which you work through the study units. In addition, all fees must be paid in full before you complete your course and before a Certificate can be awarded to you. You have three years to complete your course from the date of enrolment. Within this time you can work at your own pace. However, you must submit at least one workstudy unit every 9 months. If these conditions are not met, you may be required to re-enrol with Masterworks, pay an administration fee and the difference between your original fee and the current course fee. In accordance with professional practice, tuition fees are strictly non-refundable.

Cooling off period

If, after 3 months from the date of this application, the trainee decides not to continue with the training, Masterworks will refund the total amount paid less **€480**.

Confidentiality

The trainee hereby agrees not to disclose, in any form whatsoever, and to keep confidential any and all information pertaining to fellow trainees or tutors disclosed through email, telephone calls and the student electronic bulletin board and all information pertaining to the trainee's clients.

I have read and understood and agree to the above terms and conditions.
